Best For Kids, By Kids **Honey Healthy Snack Contest for 5210**

Classes or students, enter your best healthy snack recipe featuring honey to win a class party and have your dish sold at Hyatt Regency Waikiki Beach Resort & Spa.

Rules: Classes or students may submit recipes for a healthy nutritious snack made with honey and other ingredients and be entered to win a class party and visit from Hyatt Regency Waikiki Beach Resort & Spa's Executive Chef Sven Ullrich. Extra points will be awarded for use of local ingredients, local honey, and/or incorporating the DOE Wellness Guidelines, and/or submitting a recipe by **Thursday, February 19, 2015**.

The winning recipes will also be included in the For Kids, By Kids Waikiki menu from April 1 through April 30, 2015. A portion of the proceeds from the sale of the dish will go to the 5210 campaign to make Hawaii's campuses healthier. Submissions must be received no later than noon, Thursday, February 19, 2015. Please email recipes to **Best5210Menu@hyatt.com** and include the name of the school, and grade category in the submission. One winner will be selected from each of the following categories: grades K-5; 6-8; 9-12. Winners will be announced by March 3, 2015 and will be invited to visit Hyatt Regency Waikiki Beach Resort & Spa for photos and a tasting. A parent or guardian must be present for the tasting and will be asked to sign a model agreement. One entry per person.

Teachers: We are expanding the contest to now include classes. Student and/or class submissions are to be emailed to **Best5210Menu@hyatt.com**. A class submission will qualify for the age group of the class. We encourage you to engage your classrooms and submit a recipe. The winners (student or class) will receive a party with Chef Sven. This is the second year of the Best for Kids, by Kids Healthy Snack contest. Hyatt Regency Waikiki Beach Resort and Spa will harvest its first batch of home-made Hula Meli honey in fall 2014. In addition to encouraging students to explore their local farms this year's contest also aims to celebrate the importance of bees in our ecosystem.
